JOURDAN FAIRCHILD, CHICAGO EDITOR

In exchange for surviving the most brutal winter ever, I decree major spring shopping sprees for us all. On my must-have list: tropical patterns, mesh sneakers, and bold accessories.

HUSTLE AND FLOW

Catch me in my post-hibernation phase at a photo shoot or a coffee shop in playful culottes that pass for professional plus a vacation-worthy patterned sweatshirt.

JOURDAN, CHICAGO EDITOR  OFF DUTY

OUT OF OFFICE

The weekends are meant for wandering the streets in casual clothes that hint at my vintage obsession in a modern way. A cute headband helps me keep my hair care to a minimum.

FILL 'ER UP

This tote is downright dreamy looking — and big enough for a laptop, dog treats, and cheeky finds: a regal cover for my iPhone, colorful headphones, and a notebook and pen for interviews on the go.

JOURDAN, CHICAGO EDITOR  BEAUTY PARLOR

FRESH FACED

I take a light, bright approach to beauty. For spring, I'm filling up a splashy cosmetics bag with my favorite blush stick, crisp navy eyeliner, cute bobby pins, and pale nail polish.

HOMEBOY

THE HOME STRETCH

A trip to Turkey has me hooked on Turkish towels. Other things that put me at ease: a pretty planter, silky sleep set, printed pillows — plus my husband and pup by my side, natch.
